Planning Board Zoom Meeting

All board members were present along with Jacki Robbins

The meeting was called to order at 7pm by Prentice. A motion was made by Prentice to accept the minutes from the Lost Kitchen public hearing. Nathan seconded the motion and all were in favor.

Jordan Fowler of North Palermo Road hopes to open a diesel repair shop. No formal steps have been taken yet, but there was some discussion of whether the Commercial Development Review Ordinance would be applicable.

There was some discussion of possibly meeting in person for October, but no decision was made.

Prentice adjourned the meeting at 7:20pm.

Respectfully submitted by Nathan McCann
